*Please note that the **Ohio Department of Health is still mandating that masks be worn on buses this year:***

1. All bus riders must wear appropriate protective masks at all times on buses.
2. Riders will be assigned permanent seats based on bus stops.
3. Failure to adhere to COVID-related safety precautions will result in temporary or permanent (in the case of repeat offenses) suspension of school bus ridership.

*Special note:* While we had hoped to put many COVID-specific restrictions/precautions behind us for the 21-22 school year, the State of Ohio is currently giving us no choice with regard to busing. We will continue to follow the state and local regulations/guidance and make adjustments as instructed or allowed. Please contact Marty Schuster at 419-562-0003 (ext. 1053) or through email at [mschuster@bucyrusschools.org](mailto:mschuster@bucyrusschools.org) for help.
