

**Pre - K  
School Supply  
List  
2020-2021**

*Every school year is unique and this year will come with its upsides and downsides. In order to be as prepared as possible for learning, whether in-class or at-home, we have adjusted student supply lists to respond. **There are 3 special things** you need to note: **1)** No supplies will be shared this school year, **2)** All writing, cutting, coloring, and gluing items must fit in as small a box, bag, or pouch as requested by grade to be carried, and **3)** You will keep specific supplies home for when they are needed. Thank you for your understanding.*
