

Sept. 8, 2020

Bucyrus City Schools Food Service Department is pleased to announce starting Wednesday, Sept. 9, 2020, the USDA has extended free lunch meals to ALL students due to the ongoing Covid-19 pandemic. This program is intended to support access to nutritious meals while minimizing potential exposure to the novel coronavirus (COVID-19). The program is expected to last until Dec. 31, 2020.

Breakfast is always free to all students at Bucyrus City Schools. Additional items such as water, snacks (secondary level only) and second entrees will continue to be available for purchase.

Families will need to continue to fill out free and reduced lunch applications so that those families who qualify will continue to receive free or reduced benefits after the USDA waiver expires.
