

August 19, 2021

Welcome Back! We are excited to see all of our students very soon!

We are happy to announce once again that all breakfast and lunch meals are free to all students through the USDA for the 2021-2022 school year.

Free and Reduced applications are still needed for students. The determination of the Free and Reduced Application directly affects the status of Pandemic EBT benefits.

If you have any questions, please call Food Service Director, Charma Schifer, at 419-562-5355.

Free and Reduced applications will be sent home with students the first week of school. They are also available in the elementary, middle school and high school offices.
